FOREWORD

The Warrior Staff of 1965 wishes to present to the student body this record of the year of 1964-65 at West Branch High School.

Compiled in the following pages you will find the story of "the year that was." Folded between the covers and hidden between the lines are those many precious moments that marked "The Year That Was."

We, the Staff of '65, are proud to present to you the fifth volume of the West Branch WARRIOR.

THIS IS THE YEAR THAT WAS

WE SALUTE: BOB KIRKSEY

... addressing the student body.

... congratulating his runner-up, Dave Bedell.

... assisting the cheerleaders.

The Booster Club working with the faculty and administration proposed that a Chief of the Warriors be elected by the student body.

The honor of being Chief is the highest honor which the student body can bestow on a fellow student. This student is the president of the student body and therefore, the Chief should represent the finest qualities of our school at both public and school functions.

The responsibilities of the Chief of the Warriors include: assisting the cheerleaders; leading the Warriors onto the field at football games and into the gymnasium at basketball games; and occasionally addressing the student body at a rally or formal assembly.

The duties of the Chief make it impossible for him to be a football or basketball player. This honor of being Chief is reserved for members of the Senior Class.

The day of the induction ceremony was one filled with suspense. The student body entered the gymnasium and took their places on the floor around the campfire. The four candidates - Gary Wulf, Bob Kirksey, Alton Merrell, and Dave Bedell - dressed as Indian warriors, sat solemnly awaiting the choice. The ceremony was a re-enactment of an authentic council of the braves to select a new chief.

After this, the Chief was selected by the "coup stick" method. Mr. Coril held the coup stick high, and at arm's length, gripped by each of the four warriors competing for the position of chief. Mr. Coril released his hold on the stick and stepped to the rear of the contending warriors. He eliminated two of the warriors by striking each a heavy blow on the shoulder, after which they removed their hands from the stick.

The two warriors remaining, Bob Kirksey and Dave Bedell, represented the Chief and alternate. The next blow eliminated Dave Bedell. The new Chief of the Warriors, Bob Kirksey, was left holding the coup stick. Shouts of joy filled the gymnasium, expressing the satisfaction of the student body in their choice of a Chief.

The war bonnet was placed on the Chief's head.

... displaying newly purchased Warrior Chief costume.

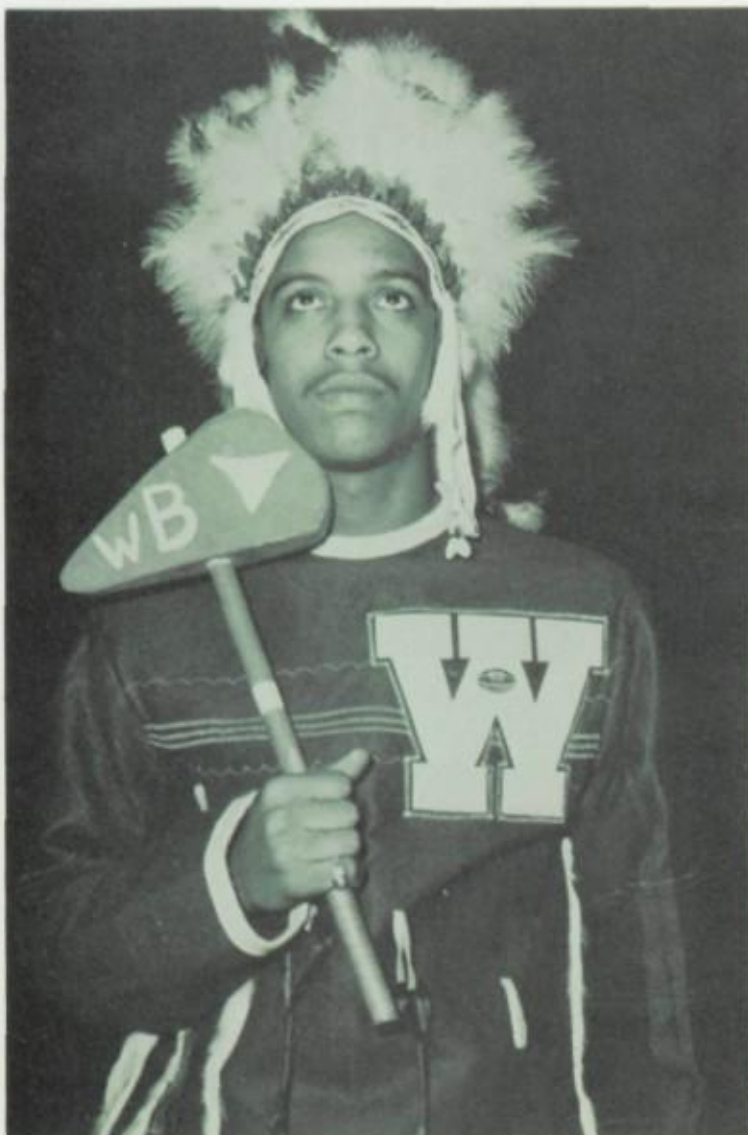

FIRST CHIEF OF THE WARRIORS

. . . being inducted as the chief of the West Branch High School Warriors.

. . . arousing enthusiasm at our basketball games.

. . . symbolizing determination of West Branch High School.

. . . leading the Warriors onto the floor.

BOARD OF EDUCATION MAPS THE FUTURE

Left to right: Norman Barnett, Vice President; Rhea Emmons, Clerk; Clinton Heacock, John Denny, Richard Burton, President; Glenn Moffett, William Eshelman.

To the Class of 1965:

As you leave West Branch High School in search of greater and more gratifying interests, educationally or otherwise, may you always remember the days spent here with pride and pleasure.

My best wishes will follow you wherever you may charter your course.

Rhea Emmons

CLINTON H. HEACOCK

Our competent executive head is always there to give us a cheerful outlook, an assuring smile, or necessary information. The student body thinks

very highly of his opinion and regards him as a cherished friend.

Graduates of 1965:

Congratulations on the completion of your twelve years of public education. You are about to embark into the great society, cold wars, and civic strife. However, there are great opportunities for individual thinkers and for leaders. We hope you will accept these challenges of opportunity and be successful in life's venture.

You are always welcome at West Branch High School. Visit us often. Your problems are our problems; your gains are our gains. Good Luck, Class of 1965.

Clinton H. Heacock

THESE MEN GUIDED US

Norman Cousins once said, "Education fails unless the three R's at one end of the school spectrum lead ultimately to the four P's at the other - Preparation for Earning, Preparation for Living, Preparation for Understanding, and Preparation for Participation in the problems involved in the making of a better world."

To you Seniors, it is hoped that your twelve years at West Branch have given you the basic three R's which prepared you for the four P's. In the long run you cannot measure your success by what you have accomplished, but by what you should have accomplished and what you will accomplish with your abilities.

I consider it an honor to have had the chance to be with you this year. My best wishes go with you as you go your many ways.

Robert Corll

THROUGH THE PERILS OF '65

To the Graduating Class of 1965:

I want both to congratulate you and to challenge you. First, I congratulate you for having successfully passed one of life's more important milestones--that of graduating from high school. It is always gratifying to reach a milestone such as this and to realize, at least for the moment, that classes are over, textbooks are closed, and examinations are behind us.

But I challenge you to let this milestone become only one of many which you will pass. The great classroom of life awaits your participation and contribution. Hundreds of good books are eager to teach you their lessons. Your examinations should come often and should be self-administered. Continually ask yourself, "By whose rules am I acting; in whose strength; in whose glory? What faith, humility, self-denial, and love of God and of man have there been in all my actions?" The response you give to these questions will ultimately determine the degree of success your class will experience.

Sincerely,
Richard A. Garra

SECRETARIES KEEP SCHOOL RUNNING SMOOTHLY

This has been a busy but happy year for me, and, without the help of many of your classmates, I never could have made it. I have enjoyed working with the Senior Class of 1965 very much. I wish each and every one of you much success and happiness in the future.

Laura Marshall

Mrs. Laura Marshall, Secretary to Mr. Corll

Mrs. Gladys Ingham, Secretary to Mr. Heacock

There is much enjoyment working with young people, and this was especially true of the Class of 1965 whom I have come to know over the past four years. Congratulations upon your graduation, and every good wish goes with you as you open another door to your future.

Sincerely,
Gladys Ingham

***THESE ARE THE SENIORS
THAT WERE***

CLASS OF 1965

As our Senior class of 1965 looked forward to graduation, we also looked backward over our last four years of high school and reminisced.

With 212 students, we enjoyed our first year in high school as Freshmen at the old building. We held a "Freshmen Mixer" to help the students get acquainted. Many of us suffered through club initiations.

During our Sophomore year we attempted to raise money by selling candy. We also enjoyed two Sophomore parties.

Our Junior year was filled with both work and fun, but we were rewarded for all our work with our Junior-Senior Prom, "On A Tropical Island". Other highlights of this year were our Junior play, "Headin' for the Hills", and the great day we received our class rings. We also had the privilege of spending our Junior year at our new school building which is very beautiful. We were quite proud to be going to school here.

But now as our Senior year has ended, we will always look back on this year as the best of our four years. We have enjoyed our Senior Prom, and our Senior play, "Arsenic and Old Lace". Other highlights were our Government trip to the Federal Reserve Bank in Cleveland, our Senior Supper, and Baccalaureate and Commencement ceremonies which were held May 30 and June 1 respectively.

Now as we all follow our separate paths in life, some of us may become great and some of us may not, but we will all be able to look back at our years at West Branch as four of the most wonderful years of our lives.

Officers: Top to bottom; Homer Ewing, President; Sherri Scott, Secretary; Gary Wulf, Treasurer; Doug Somers, Vice-President.

Membership in the National Honor Society, the only honorary organization at West Branch High School, is based on character, leadership, scholarship, and service. Students must maintain a "B" average for their first three years in high school to be eligible for membership in the club. This year the club took in fifteen juniors and five seniors at the annual induction which is highlighted by the tapping ceremony.

Some of the activities conducted by the Honor Society are the homecoming activities, the student-teacher tea held this year on February 17, and the induction ceremony, March 30. Old members, as well as new members, come to the annual alumni banquet at which the officers for the coming year are announced. The Honor Society may also attend

induction ceremonies at other schools. Morning devotions for the student body are carried on by the National Honor Society.

Under the leadership of our advisor, Mrs. Theresa Martin, the club will continue to be an active force in school activities.

It was the job of the representatives to plan skits for pep assemblies and aid the school in any other possible way.

As money making projects, the representatives sold pencils, booster badges, and Warrior hats. With the help of the G.A.A., the Booster Club purchased the Chief of the Warriors costume and other Warrior equipment.

For the 1964-65 school year the West Branch Latin Club consisted of 53 members. Highlights of the year's meetings were the initiation for the new members in October and the Saturnalia program, with a gift exchange in December.

The club used the funds that had been building up in the treasury to purchase Latin tapes for the Language Lab. During the year, we had bakesales to make money for the field trip to Pittsburgh in March.

The year's social activities closed in May with the traditional Roman banquet, at which we ate in Roman style. The first year members served as "slaves" to the second year members, "the Roman citizens."

LOS PICAROS PREPARE A FIESTA

"Los Picaros" had 32 Spanish students on the roll call for 1964-65. Club membership was limited to second and third year students. Only those members maintaining a "C" average in Spanish were eligible for membership.

Our meetings included a Christmas party and initiation for the new members. The feature of the Christmas party was a pinata in the shape of a clown. When the pinata was broken, the students raced to pick up as many candies as possible.

The Spanish Club held a donut sale to help raise money for a dinner featuring Spanish food. Slides of South America were shown as the program portion of the evening.

The main project was the Spanish display for the Mahoning County Fair. This display had various articles that are peculiar to Mexico.

The aim of the Commercial Club is to better acquaint its members with the business world of today and to help prepare them for the business world of tomorrow.

To be a member of the Club a student must be a junior or a senior and must have taken two business subjects. There were 56 members this year.

The club's activities consisted of monthly meetings, guest speakers, films, and social events, which included parties, dances, and fund raising projects. Some of the speakers have been personnel directors, certified public accountants, stenographers, and former students working in business today.

Another of the club's goals is to purchase dictation records that will be placed in the library for students to use for home study.

"The purpose of Y-Teens is to build a fellowship of women and girls, devoted to the task of realizing in our common life those ideals of personal and social living to which we are committed by our faith as Christians. In this endeavor we seek to understand Jesus, to share his love for all people, and to grow in the knowledge and love of God."

This was the first year for this club at West Branch High, and we have tried to have the type of activities that will incorporate these goals. The goals are:

1. To grow as a person
2. To grow in friendship with people of all races, religions, and nationalities
3. To grow in the knowledge and love of God

The activities of our club are:

1. Service to others
2. Fund raising
3. Fun

Mrs. Meissner, our helpful librarian, is always there with a cheerful smile and needed information.

Our library is still in the midst of a building process, but many more shelves have been filled by the addition of approximately 1900 volumes since the library opened.

Hard-working and cooperative student librarians are essential to the building and running of a school library in as much as they may be asked to do anything from typing an order card to showing a movie. The library aides accomplished and learned much in the time they gave.

Under this plan, there were two meetings for Christian teens, and a party and a Campus Life Night for all to attend each month. The party was fun for everyone, complete with games, refreshments, and entertainment; and the Campus Life Night included a challenging speaker, skits, testimonies, and plenty of good music.

The purpose of the Varsity "W" Club is to promote athletics in West Branch High School. To become a member a boy must participate in varsity athletics. Those members who earn varsity letters are the lettermen, the nucleus of the club. The non-lettermen, the plebes, are also an important part of the membership.

To raise money for the Letterman's

Ball which was held in May, we sponsored several dances throughout the year. We went all out to promote our Sadie Hawkings Day Dance. During the day members of the club and cheerleaders dressed in "Dogpatch clothes" and held a Sadie Hawkins Day race in which the girls chase and try to catch the eligible bachelor boys. That evening the student body attended the dance dressed appropriately for the occasion. The club also co-sponsored the annual Christmas Dance.

The Varsity "W" Club sponsored an intramural basketball tournament during the winter. The games were played at noon and refereed by members of the varsity basketball team.

In addition the club presented an award to the student who has done the most this year to promote athletics. This award was won by John Rill.

Officers and advisors: Mr. Bob Leedy; Jack Benner, Secretary; Mr. Altier; Wayne Fieldhouse (kneeling), Treasurer; Daryl Loudon, President; Mr. Stan Becker; John Rill, Vice-President, absent.

ANNUAL STAFF CAPTURES

Layouts, dummy sheets, cropping--these words became familiar to annual staff members in the early months of planning.

Our advisor, Mrs. Lois Watson, provided staff members with invaluable help when trouble arose.

The co-editors and advisor, Mrs. Lois Watson, were among the main figures in planning and developing the '65 Warrior.

Everyone became adept at working with pictures. Cropping, reducing, and proportioning were the big headaches in this department.

EVENTS OF THE YEAR

Bookkeeping and accounting fell to the lot of our business managers, Bob and Marilyn. By the time they were through, the ledgers were well thumbed.

The members of the '65 Warrior staff were: seated; Marilyn Ware, Bob Pasco, June Schoeni, Sandy Antonasanti, Larry Stratton. Standing; Linda Polen, Kendra Phillips, Lee Ann Malloy, Randy Beeson, Joanne Herold, Keith Martig, Linda Benner, Mrs. Lois Watson.

The junior editors and junior business managers gained valuable experience for the publication and finance of the '66 Warrior.

ANNUAL STAFF CREED

Neither endless homework, tricky tests, weekly Observers, club activities, nor countless problems can keep these staff members from the swift completion of their appointed work.

Although it seems relatively insignificant, typing was one of our major problems.

As the day drew near each month for another issue of the "West Branch Review" to come out, a chance visitor to the newspaper room would have seen staff members busily "writing" and "blocking" stories and "setting up pages."

This busy staff learned the technical points of publishing a paper at a workshop at Ohio University the summer before school started.

Working together, the editor, the various page editors, the advisor, and the business manager published issues of the mimeographed newspapers. With the money that they made, the staff had the last issues printed by a printing company in Beloit.

Not only did the staff publish newspapers, but they were well known for their "donut-sales" The staff sponsored a talent assembly on April 9, in which many students participated.

The year of 1964-65 proved to be a very rewarding and enjoyable experience for the staff--one which they will long remember.

CHOIR DISPLAYS GIFTED VOICES

The West Branch High School Choir, with a membership of over 50 voices, was newly formed this year as the advanced group. Because of the growing development of the Choral department, the Choir has become very select.

The Choir's first appearance in robes was at the annual Christmas program. Some of the selections sung were The Shepherd's Story, Dicken's The First Noel, and Christmas Day.

Mrs. Faris thought the Choir had become talented enough to sing in competition. Those who were interested worked very hard to represent West Branch at District V Contest. The Choir received a rating of a I and two II's which is outstanding and something for which the Choir should be congratulated.

The Choir sang many popular selections in the Spring Choral Concert, in which the entire Choral department participated. It was the final concert of the year and was enjoyed by a large audience.

Being the select group, the Choir made many other appearances. Among these were: Baccalaureate, Commencement, most of the formal school assemblies, and many other public appearances.

The Choir would like to thank Mrs. Faris for her tireless efforts in working with us, this year.

The 1964-1965 Mixed Chorus consisting of 35 members enjoyed ourselves this year.

We had the pleasure of singing for the Christmas Concert and our Annual Spring Concert held in May. We also sang for the Parents' Choral Club Dinner held in April.

Our chorus sponsored a bake sale to help raise the money to buy a much-needed tape recorder.

Our fine accompanists were Rick Howenstine and Myron Courtney. They, along with Mrs. Faris, were very helpful.

The Girls Chorus, which was composed of thirty-six members, met each day during the fourth period with Mrs. Virginia Faris.

For one six weeks we had a student teacher from Mount Union College, Mrs. Betty Davis. We enjoyed her teachings very much and showed our appreciation by giving a party in her honor.

Our various activities included five profitable bakesales, singing for the Beloit Friends Church at Christmas, singing for a Parents Choral Club meeting, and participating in the Winter and Spring choral concerts. All the activities were greatly enjoyed by each member of the chorus.

WEST BRANCH SPECIAL CHORUS GROUPS

The West Branch Octet was organized when the members were sophomores. During the past three years the West Branch Octet has enjoyed many rewarding experiences. Since the Octet was organized, it has sung for many of the churches in the community, Ruritan clubs, the Eastern Stars and Masons, and various women's clubs. Our senior year the group attended district contest at Youngstown University and by receiving a I or Superior rating we qualified to go on to the State Contest at Kent State University. At the district contest the Octet sang "Last Spring" by Grieg, and then for State "The Nightingale" by Tchaishovsky.

The Octet is not organized as a singing group for any particular kind of music but rather sings classical, religious, popular, and folk music. Although the past three years have meant many extra practices, no member of the West Branch Octet will ever forget all the experiences we have shared.

Gayla Buckman, Gary Wulf, Nancy Lora, Doug Somers, Alan Howenstine, Karen Risbeck, Mary Jo Gongaware, Jack Benner, Ellen Planchock

The new Senior Sextette was formed in November 1964 to replace the '63 sextet.

During the year we sang for such things as the Ruritan Talent Show, and one of the regular Ruritan meetings. We also sang at several Churches in the area; the annual Parents Choral Club supper, and one of the Parents Clubs' regular meetings; and we sang for the newspaper's talent show. We appeared in the Annual Christmas and Spring Concerts, and made several other appearances.

Although we have only been together for one year, we have enjoyed every minute of it. The fine memories we've collected during this one year will be with us always.

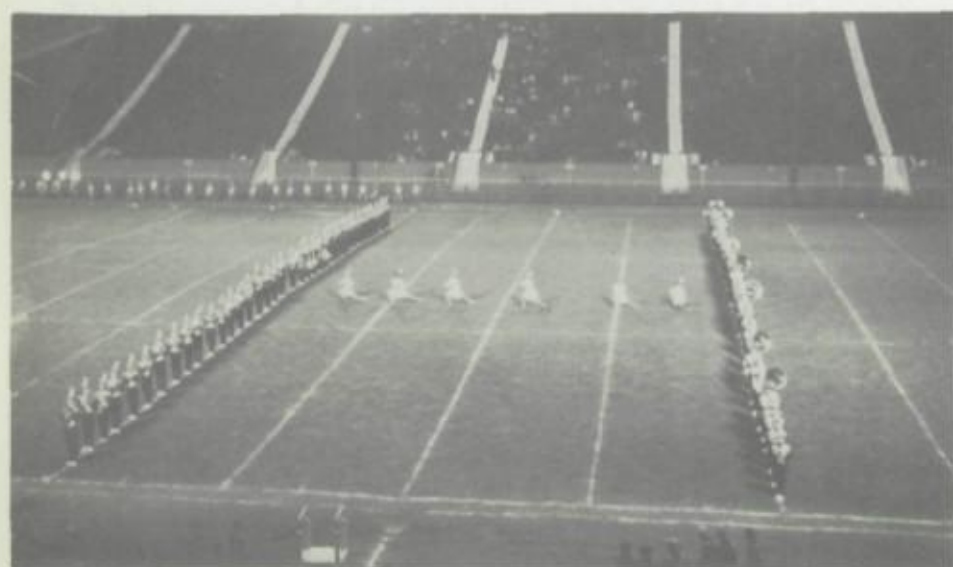

Mary Lou Cullison; Linda Herren, accompanist; Helen Harris; Marie Rhome; Carol Williams; Vivian Hipkins; Cassandra Gibbons.

The Sophomore Sextette was organized this year. It provided music at the Christmas and Spring Choral Concerts, Mother-Daughter Teas, and a Grange Christmas Party. This new singing group will continue to perform next year.

Anna Ruth Fletcher, Cathy Imobersteg, Cathy Massolini, Joanne Griffith, Glenda Stine, Cathy Hahlen, Nancy Borton.

PRESENTING THE WARRIOR SWING BAND

The West Branch High School Band of 107 members started the year off by stealing the show in their new uniforms at the Canfield Fair.

They continued to be outstanding in the "Band Spectacular" at Mount Union Stadium, October 17, in all the halftimes of the football games, in the combined Chorus and Band Christmas Concert, and in the Memorial Day Parade.

But the thrill came after we received a I rating in District V competition at Warren G. Harding High School, in Warren, Ohio. Eighty contest band members traveled to Columbus for state competition, April 24. There we received an outstanding II rating.

A spring concert and a concert with the Kent State Band kept the members busy till the end of the year.

Coach Wilson

SISSY

By Coach Paul F. Dietzel

Is it a sissy to be the first guy on the practice field
Is it a sissy to be the most vicious tackler on the squad

Is it a sissy to knock your opponent on his butt
Pick him up, and say, "get braced, Buddy, cause That's how the Chinese Bandits do things!"

Is it a sissy to say NO when your buddies ask you to join them in abusing your body with dissipation

And the only excuse that you can say is "I don't think that'll help me to be a National Champion."

A sissy to teach a Sunday School class like Glen Davis or

A sissy to believe in God.

Yes, it takes a real sissy to be the toughest guy on the field and not a tough in the classroom

A sissy to wear a crew-cut rather than a duck-tail like the rest of the girls

A sissy believes that the team always comes first before any personal glorification.

And only a sissy has courage enough to be a member of a team rather than one of the creeps who every bartender in the area calls by his first name He's definitely a Sissy if he respects Mom and Dad and honors their wishes

And he's not only a sissy, but a stupid one too if he "guts it out" even if he doesn't get to play too much rather than joining the ever growing ranks of quitters

And of those who get to play, you'll note that the sissies'll lay it on the line anytime the team asks

If that's being a sissy

Thank God for Sissies

I'm hunting for sissies

Because sissies, Gentlemen, are the timber From which CHAMPIONS are fashioned!

The Varsity Cheerleaders attended Camp Tippecanoe last summer for one week at which they learned the latest ways to lead cheers. Many novel ideas were brought back to improve pep rallies and to build school spirit. The adult Booster Club, G.A.A., and the Cheerleading fund sponsored the trip. The girls practiced all during the summer to improve their cheering. Football season started with new uniforms and peppy new cheers.

The 1964-65 Reserve Basketball Team showed great ability for their future years on the hardboards. Playing the same schools as the varsity, the Reserve team completed the season with a total of seven wins and eleven losses. The Reserves, coached by Mr. James Meissner, gained valuable ex-

perience as the season progressed. One of the most exciting contests was the Columbiana game in which the West Branch Reserves won 42 to 38 in overtime. The team is looking forward next year to a place on the varsity squad.

FROSH TEAM DEMONSTRATES SPORTSMANSHIP

The Freshman Basketball Team, though it played a very challenging schedule, showed signs of a revival in the latter part of the season. They saw plenty of action and work. Though their record wasn't too impressive, they are looking forward to next year and

the reserve team, when they will be seen by more and the real value of the team efforts will begin to show. Coached by Stan Becker, the frosh ended the season with two wins and sixteen losses.

The track team showed a great deal of improvement despite the lack of a practice track. While posting a 3-5-1 record, the team, coached by Mr. Robert Landis, provided spectators with many thrilling "photo-finishes."

Greg Johnson and Al Somers, throwing

the shot put and discus respectively, displayed good form in the field events. Al also placed third in the county competition at Boardman.

Two of the most interesting meets were with North Lima and Sebring, whom we tied.

West Branch Baseballers concluded a rebuilding season with a 7 won 11 lost record. Although this is a losing record, Coach Davis feels this has been a successful season--all things considered. Most games found two Freshmen, five Sophomores, and two Seniors taking the field.

Daryl Loudon and Jim Wallace, the only Senior members of the squad, served as co-captains.

Loudon, Jim Wallace, and Dave Socotch were the only returning lettermen. Jim Wallace won his third award and Loudon and Socotch their second.

The seasons highpoint came midway through the schedule when the Warriors took six victories in seven games. During this drive consecutive double-header wins gave great satisfaction.

Jim Wallace led Warrior hitters with a robust 380 average, followed by Joe Wilson with a lusty 379.

Wallace's hits included six doubles and a home run, while Sophomore Joe Wilson's total included seven triples, four doubles, and one homer.

Warrior pitchers did an adequate job with John Berlin, Dave Socotch, Dave Wyss and Daryl Loudon doing the hurling. With these figures showing and only two Seniors leaving, the Warriors anxiously await next year's diamond opener.
